**Bottled Water Needed!** Summers in the Phoenix valley are hot & devastating to people who are homeless. Last summer, record-breaking heat took the lives of 494 men & women in Arizona. During the month of June, our NMI council (Nazarene Missions International) will collect bottled water for the faith-based Phoenix Rescue Mission to distribute. Please bring 6, 8, 12, or 24-packs of bottled water to the church lobby. We'll create a display of them.

**Thank You...**The following note that was received this week is another occasion when God is providing for our needs to worship with the church family, and for us to give out of gratitude for what God has done in our own lives. God continues to work in our lives, seen and unseen, in "ordinary" circumstances.

*I deeply missed not making it back to Arizona this season. Looking forward to returning this fall. Thank you for the opportunity to hear the services online. Great inspiration during these difficult times. I'm sending this check for children to attend summer church camp. I was blessed to attend all the years of my youth. Thank you!*

**As folks have been vaccinated, you'll see less masks in services. However, some folks feel the need to wear a mask for various reasons...all are welcome here!**

**Ushers Needed...**to help folks find seats in

worship services, & to count folks in services. Interested? Contact our head usher, Fred Burtscher (419.265.9023 or [thefrederick-burtscher@gmail.com](mailto:thefrederick-burtscher@gmail.com)). Men & women welcome!
