Sun City Naz News

Two Morning Service Times Continue...because of the good attendance in each one. It will be announced if and when we need to go to one service. We're thankful for the gracious attitudes from those of you from whom this requires more time and flexibility. God is blessing!

New Cart in Lobby for Canned Food Donations...

to be distributed by Valley View Community Food Bank to those in need in our community.

"The Shoe That Grows"...is a ministry of Because International whose founder (Kenton Lee) attended Northwest Nazarene University. People all over the

world do not own any shoes or shoes that fit their feet. Kenton's organization came up with shoes that adjust as a child's foot grows. This shoe is made of highly durable material. Our church has supported this ministry through financial gifts and prayer for years. In 2017 alone, 60,206 pairs of these shoes were distributed all over the world, for a total of 128,595 pairs since the beginning! For more info, please go to theshoethatgrows.org.

Thank You! Dawn and I are so grateful for the love you have shown to us recently with your prayers for our recent trip to our son's college graduation. You also surprised us with a generous gift card for our 30th anniversary! We put it to good use! Thank you for Dawn's birthday cards and gifts. It has been a season of celebration for us and we're thankful that you have shared in it with us!

You, dear children, are from God and have overcome them, because the one who is in you is greater than the one who is in the world.
